

SEASON OF

Cheer

With Warm Regards
from Iman, Nashid &
Himanshu

11 DEC 2008

Hi Rick,

I hope you remember me. You came to check the waterproofing of our basement in the summer. In my life, I have never met someone who is so honest and helpful in his profession. We followed your advice regarding the downspouts and sewerstraps and now there is no water problem in the basement!

Thank you so much Rick!

Wishing you a happy holiday 3 Markil
